

Order of the Arrow, Section C-4A Silver Arrowhead Award Nomination Form

Award Description

The Silver Arrowhead Award was created in 2004 to recognize those Arrowmen who have rendered exemplary service over a number of years to the Order of the Arrow on the Section level. No more than four Arrowmen will be chosen per Section year; there must be at minimum of a 1:1 youth to adult ratio of recipients chosen. Anyone within the Section may nominate an individual to receive the award. Self-nominations are not permitted. Nominations are due to the Section Adviser by May 1.

Award Selection

The Selection Committee will be comprised of all Brothers who have received the award that are still under the age of 21 at the Selection Meeting. The Selection Meeting will occur between May 1st and the Conclave, either in person or by a conference call. There will be a minimum of five Committeemen, and one Adviser. If there are more than five current youth who have received the award then they may all serve on the Committee. In the event that there are not five youth past recipients, then adults will be chosen based on age from youngest to oldest to fill the open Committee positions, (i.e. the 22 year fills the open spot on the Committee, while the 30 year old does not). The Section Chief will appoint a youth, or young Arrowman in the event there is not a youth, past recipient to serve as Chairman.

Award Requirements

The requirements of this award are few, and individual records of service will be used to select these Arrowmen, who will be recognized at Conclave. Those nominated must have given at least two years of exemplary service to the Section; in a leadership or support role (youth and adults are eligible.)
