Conclave 2009

- May 15 – 17, 2009
- Camp Stigwandish, Madison, Ohio
- conclave.aa-c4a.org

Now that ALTC is passed it is time to focus more on our next large-scale section event...Conclave 2009. The theme has been selected for the 2009 Conclave, and it will be Joining the Brotherhood. The exact design for the patch is still pending, but it was decided that it will be a mixture of the Greek fraternity logo and the idea of a chief putting a sash on a new member of the OA. The cost will be \$45 for regular registration and \$36 for those who pre-register online by May 1st. We are planning on trying out a text message alert service that if all goes to plan will be released in January, along with a short podcast every month or so. Any questions comments or concerns about this may be sent to marketing@aa-c4a.org.

Several of the Conclave Committees are working diligently to create new and innovative programs for this year. These include OA University themed training, hands on AIA and ICE classes, a Vigil rededication ceremony, a VIA (Very Important Arrowmen) Luncheon for each lodge chief and the youngest member of each lodge contingent, and new ceremony competitions. Please visit conclave.aa-c4a.org to keep posted on this year's changes.

WINTER BANQUETS

We will be sending section representatives to as many of your winter banquets as possible. We should be able to have at least one or two representatives at every banquet. They will be able to fill your lodge in on Conclave updates, and possibly answer any questions that your lodge may have for the section

Do you need an escape from that 9-5 job, summer classes or the monotony of staring out of your bedroom window longing for something new? If your answer is yes, the Order of the Arrow has the answer for you.

Each summer, the Order of the Arrow offers a myriad of different High Adventure opportunities to meet your summer needs whether its wetting your appetite by going for a plunge in the Atlantic Ocean with the Ocean Adventure at the Florida Sea Base; maybe hiking is your passion, what better place to go than the Philmont Scout Ranch where you can hike the same trails as your Scoutmaster or Scouting ancestors as a part of your Trail Crew experience.

Have you ever given thought about what the Native Americans and early explorers did to be avid traders, maybe the OA Voyage is for calling. Whatever your summer aspirations may be, these National High Adventure bases have put together a multitude of options for you.

Along with your one week trek completely designed by you, each Arrowmen will be afforded the opportunity to leave their mark in history by helping to sure up portage trails, backpacking trails or coral reefs. Aside from providing a good deed to each of these high adventure bases, every participant will have the opportunity to work closely with Arrowmen from across the country, who have a similar interest in the future of both the program and the adventure base.

You may be thinking that this is a daunting task but it is an experience unlike any other afforded to you in scouting in that it takes you out of your world and places with people, who want to do something different. It's not everyday that you can tell your friends that you climbed into Cypher's Mine, watched the Northern Lights from a canoe or went scuba diving in the Florida Keys.

These programs help to insure that the future of scouting has a place to live, work and interact. This summer, try something new or do something you thoroughly enjoy, but do something with the Order of the Arrow High adventure opportunities. For more information about these High Adventure programs, please visit Adventure.ou-bsa.org or talk to your lodge chief. Your destiny awaits you...
